location ~~opening~~ of a toll bar by the District Board of Chitaldrug on the same road.

3) But in view of the inconvenience that is likely to be caused to the traffic by the existance of two toll gates in close proxim to one another they propose that payment of tolls at one gate should exempt the Carts & animals from payment at another within a period of 24 hours from Sunrise to Sunrise. The effect of this will be that all outgoing traffic towards Rayadrug will be tolled by the Chitaldrug D.B. while the ~~out~~ incoming traffic from Rayadrug will go free in Adoni territory. The proposed arrangement will be prejudicial to the D.B. of Chitaldrug if the outgoing traffic is less than the incoming traffic.

4) Draft calling for the views of the D.B. in the matter together with information about traffic Statistics & the toll rates is Submitted for orders

It seems premature to sanction the levy of tolls at molcalmuru since the new road within Mysore territory has not been completed. Draft intimating the views of the Dt Bd of Chitaldrug as regards the condition of reciprocity is put up for orders.

A list showing the rates of toll prevailing at Rayadrug is appended in the margin. It is reported that the amount of traffic going out of Mysore territor is nearly the same as the incoming traffic from Rayadrug.
